

DISCO +

KAYAK SIT ON TOP - CONFORME DIVISION 245

The Disco Plus is sleek, streamlined, dare we say-sexy, and an excellent navigator.

This model is designed primarily for kayakers from 60 to 80 kg, and is a favorite with the ladies though its slender lines and graceful glide appeal to many! The Disco Plus is self-draining and has a storage space at the rear. Comes equipped with a deck net, and can accommodate a waterproof bag up to 24 L. No matter the load, the Disco plus handles well and tracks true even in choppy seas.

Also available in a fishing version: RTM FISHING.
