

MOJITO

SIT ON TOP

As pleasurable as the cocktail of the same name, this sassy little Sit on Top is versatile, ergonomic, and affordable. Its built-in backrest provides a comfortable seat while a second, smaller seat at the front makes it easy to share your adventures with a little one.

An elegant hull lets beginners easily take up surfing and improve their technique. The Mojito's stability will entice even bigger paddlers to explore sea coasts, lakes, and rivers with complete confidence. Off the water, the Mojito won't let you down. It is easy to carry and store thanks to its integrated carry handles, compact size, and lower weight. Stackable head-to-tail.
